INFORMATION ON OTHER AVAILABLE ACTIVITIES

Delaware is home of tax-free shopping. There are also two very large malls (Christiana Mall and Concord Mall) within ten miles. And of course, we have plenty of museums, historic tours, formal gardens, etc., close by as well. Brochures and directions will be available in the Hotel Lobby.

AIRLINE INFORMATION

The most convenient airport is Philadelphia International Airport; major airline service is provided by U.S. Airways. You may also use Baltimore/Washington International Airport; however this facility is located 70 miles away and you would need to provide your own ground transportation to the hotel.
